In addition, by using some of our products or services, anonymous network information may be transmitted back to us such as: the health of our products and types of devices attached to the network. We will ask for your consent before we use or share your information for any purpose other than the reason you provided it or as otherwise provided by this policy. In order to let us know your preferences, we will require an action on your part, such as checking the appropriate option, to indicate your consent.
